MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Shree Krishna Infrastructure Ltd. Firmly believes that good Corporate Governance results in regulation of the affairs of your Company in a most transparent, ethical and accountable manner. Adherence to Corporate Governance ensures greater level of transparency and accountability, fairness in operations, full disclosure, integrity and compliance of laws.

We submit herewith our Management Discussion & Analysis Report on the Company's Business for the year ended 31st March, 2021. We have attempted to include on all specified matters to the extent relevant or within limits that in our opinion are imposed by the Company's competitive position.

A. INDIA ECONOMY:

India's GDP forecast to 8.3 per cent for FY 2022, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent. It has further projected India's growth to be 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the Covid-19, the largest outbreak in the world since the beginning of the deadly pandemic.

The more imminent challenge for the construction players remains working capital management. Operational issues owing to the lockdown have also slowed down outstanding payments to contractors by the principals. In most places, milestones have failed owing to the lockdown, hence, milestone-based payments also cannot be received.

The pandemic will undermine consumption and investment as confidence remains depressed and balance sheets damaged. Growth in FY 2022/23 is expected to slow to 7.5 per cent, reflecting lingering impacts of COVID-19 on household, corporate and bank balance sheets; possibly low levels of consumer confidence; and heightened uncertainty on job and income prospects, it said.

In India, fiscal policy shifted in the FY 2021/22 budget toward higher expenditure targeted at healthcare and infrastructure to boost the post-pandemic recovery. The renewed outbreak, however, may require further targeted policy support to address the health and economic costs," it added.

B. Global Outlook: Pandemic, Recession: The Global Economy in Crisis:

A year and a half since the onset of the COVID-19 pandemic, the global economy is poised to stage its most robust post-recession recovery in 80 years in 2021. But the rebound is expected to be uneven across countries, as major economies look set to register strong growth even as many developing economies lag.

With globalization, urbanization, and environmental change, infectious disease outbreaks and epidemics have become global threats requiring a collective response. Although the majority of developed countries, predominantly European and North American, have strong real-time surveillance and health systems to manage infectious disease spread, improvements in public health capacity in low-income and high-risk countries – including human and animal surveillance, workforce preparedness, and strengthening laboratory resources – need to be supported by using national resources supplemented with international donor funding.

Global growth is expected to accelerate to 5.6% this year, largely on the strength in major economies such as the United States and China. And while growth for almost every region of the world has been revised upward for 2021, many continue to grapple with COVID-19 and what is likely to be its long shadow. Among low-income economies, where vaccination has lagged, growth has been revised lower to 2.9%. Setting aside the contraction last year, this would be the slowest pace of expansion in two decades. The group's output level in 2022 is projected to be 4.9% lower than pre-pandemic projections.

C. OVERVIEW OF BUSINESS:

REAL ESTATE :

In the current scenario, the second wave of Corona virus has imbued uncertainty in the sector, resulting in a temporary pause, but the developers are now better prepared and well-versed with the know-how of a pandemic. The Indian real estate sector is now a buyers' market and the ongoing inoculation program is boosting the confidence of homebuyers. It is most likely that the sector will resume its growth from the second quarter of FY 2021. We will see a steady flow of investments that will ensure growth opportunities with higher returns. The halt will be short-term and confidence in the market will return as soon as the Covid curve gets slowed."

CONTRACT FARMING:

The future of agriculture in India depends on many existing and missing policies and directions of policy reforms. When the sector is faced with economic, social and environmental crisis, absence of policy is the major factor in the crisis not being attended by any stakeholder. A pessimistic approach to farm sector saying it contributes only 13 per cent of GDP and engages 44 per cent workforce and, therefore, is as a liability. As we continue to grow, we are committed to enhancing our product suite to deliver tools that foster data-driven decisions for our farmers.

ELECTRIC VEHICLE:

EVs are touted as a one-stop solution to many problems in India. India's EV sector has been rapidly growing over the last three years. In the current scenario, rural consumers depend upon diesel generators to operate machines for irrigation. Policymakers need to provide an incentive-based energy tariff structure for consumers and increase the interest to participate in grid operations and supply extra amount of energy to other consumers. Having 15% of the automobile market powered by electricity in five years is a realistic and achievable target said in an official.

D. FUTURE OUTLOOK:

The Government of India is taking various steps to boost the infrastructure development in the country.

Looking at the huge potential for growth in the infrastructure sector, your company sees a good outlook for the coming years and the Company will benefit from the same.

E. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has an adequate internal control system commensurate with its size and the nature of its business in order to achieve efficiency in operation and optimum utilization of resources. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information. Internal audits are conducted in the Company on regular basis.

F. HUMAN RESOURCES:

The company takes pride in the commitment and dedication of its employees and considers its Human Resource vital to the success of the organization. The company fosters a conducive environment for encouraging professional growth and fulfillment of organizational objectives. It believes in promoting a safe and conducive working environment, designed to nurture a motivated and engaged workforce. The company acknowledges the efforts of its people and takes great pride in the dedication, sincerity and hard work of its workforce

G. STRENGTHS:

➤ Brand Reputation: Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.

- Execution: Possesses a successful track record of quality execution of projects with contemporary architecture.
- Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
- Successful implementation of contract farming, calls for a thorough understanding of the environment in which it will be applied.
- Experienced Promoters and Management: in field of Architecture, Engineering and Construction, strategic management.

H. THREATS & CHALLENGES:

- Real-estate is an interest sensitive sector hence any increases in interest rates will adversely impact the revival of the sector.
- Over regulated environment
- Unanticipated delays in Project approvals
- Unfavorable changes in government policies and the regulatory environment can adversely impact the performance of the sector.
- Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector

I. BUSINESS STRATEGY:

- Maintain high standards of quality.
- Increase scale of operations in a controlled manner.
- Continue focus on a diversified business model.
- Flexible approach to project development.
- Marketing strategy aimed to satisfying customer expectations.

J. SEGMENT-WISE PERFORMANCE:

The Company operates in only one segment for real estate construction and development activities. The Business Segments has been identified in accordance with Accounting Standard.

K. DISCLOSURE OF ACCOUNTING TREATMENT:

In preparation of these financial statements, the Company has followed the prescribed Accounting Standards and no different treatment had been followed.

L. CAUTIONARY STATEMENT:

Statements in this report on Management Discussion and Analysis describing the Company's objectives, projection, estimates, expectations or predictions may be forward looking statements within the meaning of applicable laws or regulations. These statements are based on certain assumptions and reasonable expectation of future events. Actual results could however differ materially from those expressed or implied. The Company assumes no responsibility in respect of the forward-looking statements herein, which may undergo changes in future on the basis of subsequent development.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHREE KRISHNA INFRASTRUCTURE LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of SHREE KRISHNA INFRASTRUCTURE LIMITED ("the Company"), which comprise the Balance sheet as at March 31, 2021, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account

d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended as amended the Companies (Indian Accounting Standards) Amendment Rules, 2018;

e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;

g. In our opinion, the managerial remuneration for the year ended March 31, 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- The Company does not has pending litigations on its financial position in its Ind AS financial statements
- The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF SHREE KRISHNA INFRASTRUCTURE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SHREE KRISHNA INFRASTRUCTURE LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these IND AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind

AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHREE KRISHNA INFRASTRUCTURE LIMITED

Notes to Financial Statements

1. Summary of significant accounting policies

1.1 Basis of preparation

Compliance with Ind AS

The financial statements have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013 read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs, except additional disclosures required by the Companies Act 2013 (as these financial statements are not statutory financial statements, full compliance with the above Act is not required).

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013. Further, for the purpose of clarity, various items are aggregated in statement of profit and loss and balance sheet. Nonetheless, these items are disaggregated separately in the notes to the financial statements, where applicable or required.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

1.2 Use of Estimates and Judgements

In preparing the financial statements, the Management has to make certain assumptions and estimates that may substantially impact the presentation of the Company's financial position and/ or results of operations.

Such assumptions and estimates mainly relate to the useful life of Property, Plant and Equipment, the recognition of provisions and impact of COVID-19.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Although the Company regularly assesses these estimates, actual results may differ from these estimates. Changes in estimates are recorded in the periods in which they become known.

1.3 Property, plant and equipment ('PPE')

Freehold land is carried at historical cost. Property, plant and equipment is carried at the cost of acquisition or construction and depreciated over its estimated useful life. An impairment loss is recognised in addition if an asset's recoverable amount falls below its carrying amount.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it meets the asset recognition criteria as per Ind AS 16 - Property, Plant and Equipment.

Significant asset components with different useful lives are accounted for and depreciated separately.

If there are indications that an individual item of property, plant and equipment may be impaired, the recoverable amount is compared to the carrying amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. If the recoverable amount is less than the carrying amount, an impairment loss is recognized for the difference. If the reasons for a previously recognized impairment loss no longer apply, the impairment loss is reversed provided that the reversal does not exceed the carrying amount that

would have been determined (net of depreciation) had no impairment loss been recognized for the asset in prior years.

1.4 Financial Liabilities

Financial liabilities are initially recognised at fair value if the Company has a contractual obligation to transfer cash or other financial assets to another party. Borrowings and payables are recognized net of directly attributable transaction costs. In subsequent periods, such liabilities are measured at amortized cost using the effective interest method.

Financial liabilities are derecognized when the contractual obligation is discharged or cancelled or has expired.

1.5 Taxes

The income tax expense comprises of current and deferred income tax. Income tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in the other comprehensive income or directly in equity, in which case the related income tax is also recognized accordingly.

a. Current tax

The current tax is calculated based on the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date. The payment made in excess / (shortfall) of the Company's income tax obligation for the period are recognized in the balance sheet as current income tax assets /liabilities.

Any interest / penalties, related to accrued liabilities for potential tax assessments are not included in Income tax charge or (credit), but are rather recognized within finance costs.

b. Deferred tax

Deferred tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. However, deferred tax are not recognized if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized.

The unrecognized deferred tax assets / carrying amount of deferred tax assets are reviewed at each reporting date for recoverability and adjusted appropriately.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of Cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the Statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of Cash and cash equivalents.

1.7 Share capital / Share premium

Ordinary shares are classified as Equity when the Company has an un-conditional right to avoid delivery of cash or another financial asset, that is, when the dividend and repayment of capital are at the sole and absolute discretion of the Company and there is no contractual obligation whatsoever to that effect.

1.8 Employee benefits

The Company's employee benefits mainly include wages, salaries and bonuses. The employee benefits are recognised in the period in which the associated services are rendered by the Company employees.

1.9 Provisions

a. General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the said obligation, and the amounts of the said obligation can be reliably estimated.

Provisions are measured at the present value of the expenditures expected to be required to settle the relevant obligation, using a pre-tax rate that reflects current market assessments of the time value of money (if the impact of discounting is significant) and the risks specific to the obligation. The increase in the provision due to unwinding of discount over passage of time is recognised within finance costs.

b. Contingencies

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.10 Revenue recognition

Revenue is recognised when it is probable that the entity will receive the economic benefits associated with the transaction and the related revenue can be measured reliably. Revenue is recognised at the fair value of the consideration received or receivable, which is generally the transaction price, net of any taxes / duties, discounts and process waivers.

1.11 Borrowing costs

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period to get ready for its intended use or sale are capitalized. All the other borrowing costs are recognised in the statement of profit and loss within finance costs of the period in which they are incurred.

1.12 Earnings per share ('EPS')

The Company presents the Basic and Diluted EPS data.

Basic EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the period.

Diluted EPS is computed by adjusting, the profit for the year attributable to the shareholders and the weighted average number of shares considered for deriving Basic EPS, for the effects of all the shares that could have been issued upon conversion of all dilutive potential shares.

1.13 Segment Reporting

The Company operates only in one business and geographical segment. Therefore, segment information as per Ind AS-108, 'Segment Reporting', has not been disclosed.

1.14 Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.
